

Credit Card Processing Program

Exclusive program for credit and debit card processing

Significant Savings for Michigan Chamber Members

At two-tenths of 1% above cost, it's a deal you can't beat!

The Michigan Chamber of Commerce "interchange plus" credit card processing program literally means that members have the opportunity to accept credit, debit and other electronically based transactions at just 0.2% above cost.

The Michigan Chamber credit card processing program has been around for 15 years, providing clients with quick, quality, reliable and affordable service. Normally only available to merchants who process over \$1 million a year, we have leveraged the size of the Michigan Chamber of Commerce's portfolio to make this "interchange plus" program available to every Chamber member regardless of the amount of credit and debit card volume you process.

Other exclusive program benefits:

- No termination fees
- No monthly minimums
- No application or reprogramming fees
- EMV / NFC Terminals for just \$275.00

Three simple steps to get started:

1. Obtain two months of merchant statements
2. Email to signup@cardconnect.com (mention Michigan Chamber to get special pricing)
3. Call us at 877-948-9733 to confirm we received your email

cardconnect.

The Michigan Chamber's preferred provider for credit card processing
