

Employment Background Screening

Will your next employee be an ASSET or a LIABILITY?

The Michigan Chamber of Commerce has partnered with LABORCHEX to provide you important background checks on job applicants. They offer great service backed by superb technology to give you a cost-effective way to easily and quickly check the backgrounds of your job applicants.

These background screenings comply with all federal and state regulations. Order one level of screening or multiple services; either way you just pay as you go.

All of the information you need is located on the website below, including who to contact for further details, screening level options, sample reports, forms to get started, and the Michigan Chamber member discounted pricing structure.

Services Provided

- Criminal Record Checks
- Driving Record Checks
- Previous Employment Verification
