

Will your next employee be an asset or a liability?

The Michigan Chamber has partnered with LaborChex to provide you important background checks on job applicants. They offer great service backed by superb technology to give you a cost-effective way to easily and quickly check the backgrounds of your job applicants.

These background screenings comply with all federal and state regulations. Order one level of screening or multiple services; either way you just pay as you go.

Start now to lower your turnover and insurance costs and to minimize the risks of negligent hiring lawsuits, workplace violence, and theft.

Complete a few forms and get started in 30 minutes.
